

## Injury Reporting Procedure

If you are injured on the job and it's a medical emergency – dial 911 or go to the nearest hospital

Otherwise -

- Inform your Supervisor at the client where you are working
- Call Medcor at **(800) 775-5866**
  - o A nurse will assess your medical needs, and instruct you on a treatment plan
    - If the nurse believes you need additional medical assistance, you will be referred Med 1
- Call Fettig (616-975-3011) – leave a message if after hours
